What experience does Oakwood have working with schools?

At Oakwood we have been working closely with local schools for the past 20 years and have built up strong relationships. These relationships have allowed us to continually improve the outdoor activity sessions we offer to incorporate school projects, goals and individuals' development. This desire to improve and work with schools to achieve their particular aims brings many schools back time and again to Oakwood.

What are the accommodation arrangements like?

We have 10 comfortable dormitories which sleep up to 6 people in 3 sets of bunk beds. The rooms are arranged on two separate corridors of four rooms each with two separate rooms on the end of the block. Schools often have separate corridors for boys and girls with teachers using the end rooms. Please view our Dormitory plan.

We have another building called the range comprising of 2 bedrooms each sleeping 4 people (2 single beds + 1 bunk bed in each room) both rooms with own ensuite. The range also has its own small lounge area with sofas.

In addition to this we also offer Adventure Tents for larger groups visiting during the summer months. The Adventure Tents have separate toilets and showers.

Do we need to bring bedding?

Sheets are provided on all the beds, we advise people to bring their own duvets/sleeping bag and pillows but these can be provided at a cost of £6 per person per visit.

Are the bedrooms ensuite?

Yes, all of our rooms have modern ensuite bathrooms, including showers.

What is the food like?

Breakfast, lunch and dinner are served in our dining room and the food is chosen with health and nutrition in mind. We can also cater for children with dietary or religious needs if we are informed in advance.

What should parents and teachers do regarding illness?

We would ask that parents and teachers are observant before the child's trip to Oakwood. If the child shows symptoms you can contact us directly for more information.

Does Oakwood have insurance?

Oakwood has insurance cover for negligence and 3rd party injury during activity sessions, as well as public and property owner's liability. If you wish to take out insurance cover for the loss of personal possessions or for any activities carried out under supervision of your own leaders then this is separate and would be the responsibility of your group to organise.

What about valuables and lost property?

Group members bring valuables at their own risk, Oakwood cannot be held liable for loss or damage of personal property. All residential buildings can be locked and your group leader will be given a full set of keys for the duration of your stay. Within the two corridors the individual bedrooms do not lock. Secure storage of valuables can also be provided at Reception. If you discover you have lost personal possessions when you return home, please contact us immediately. If found, we will happily return the property to you by post or you can come in and collect it.

As leaders when are we responsible for our group?

Except for activities run by Oakwood staff, responsibility for the safety and discipline of the group lies with you. We ask that you assist the Residential Manager in the smooth running of the Centre by addressing any disciplinary problems as they occur. Oakwood instructors take responsibility for leading groups during the adventure activities. In the interest of safety, all participants must agree to abide by any instructions given by the Oakwood instructors during this time.

Is there anything else we should be aware of?

We ask that outdoor shoes are removed whilst inside the buildings. We therefore recommend that if you are staying at Oakwood you bring some house shoes with you.

Teachers are located in nearby rooms to the children at night.

Will my child cope?

All the staff at Oakwood are fully trained and take responsibility of the children who are in their care during activity sessions. Sessions will be run at a level that will allow everyone to participate, challenge themselves and achieve. Outside of activities your child will be in the care of teachers.

In special circumstances parents may telephone their children but, in our experience, we have found that parents phoning just to talk actually makes the time away from home more difficult, rather than easier.

Anything valuable which would cause distress is broken or lost. For example, mobile phones, expensive cameras, electronic games, tablets or favourite jewellery or clothes.

For Oakwood Activities

Our activities are run by qualified instructors in line with national governing body regulations.

Yes. Every person, adult or child, participating in an activity at Oakwood is required to complete a health declaration form to allow Oakwood to ensure that the activities are suitable for them and that we have appropriate emergency contact details. School groups and churches as sent the form via the residential manager and participants visiting for the day can use the online waiver found on the homepage of the climbing centre website www.oakwoodclimbingcentre.com

Yes. The minimum age for young people participating in any roped activities (excluding climbing) is 8 years. The minimum age for young people participating in any ground level activities and climbing is 7 years.
